

What a great testimony of God's love when orphans are adopted by a Christian family and return to minister to the orphanage where they were raised! DeAnne and Greg Forbin (bottom left) from Ohio adopted two girls from Novokuznetsk five years ago. The Lord called them to return this summer for the second time with a team to help renovate the orphanage and love the children from the institution in which their adopted children came. Pure and undefiled religion before God the Father is this – to visit orphans and widows in their trouble. James 1: 27

Nadia and Vera Forbin (above in white T-shirts) enjoyed playing games and sharing Bible lessons using puppets with the children from their previous orphanage.

It is such an encouragement to see people coming to the Lord in our city, Novokuznetsk! What a joy it was for us to baptize 39 new believers this summer! We presented them with Bibles as a gift after baptism. It was especially meaningful to baptize our 13 year old daughter, Jessica! Thank you for being a vital part in helping us to reach souls in this part of the world.

We're very excited about a new ministry the Lord is opening in Russia. Pastor Rod Hembree, from Orangeville, Ontario, has invited me to be a part of his "Quick Study" television program on the internet. Starting in Nov. there will be a Russian channel on www.thestreamtv.com They have statistics of how many people have watched this Bible study program in English for one hour or more since January to June of 2007. The highest number of viewers was from the US, the second place was Canada, and Russia was in third place with 288,000 viewers. **Please pray that God would give me a word for the Russian people that would exalt Christ and reach multitudes of hungry souls.**

Two teams will be coming from Canada this fall to help renovate Source of Life Children's Home. A team of six from Brantford has just arrived, and a team of 13 from New Market will be coming in Oct. The children's home will be divided into four apartments. **Please pray that the first apartment will be ready to house 10 children by the New Year. Please also pray that each team member will have many opportunities to minister to people that they will meet on the trip.**

We're so grateful to God for what He's doing this part of the world. Thank you for your prayers and financial support that make this ministry possible!

Sincerely in Christ,
Ilya and Janet
